

Farley Center Trivia Game Day

Sunday, January 21, 2024
1:00-3:00pm

Join the Farley Center for a delightful afternoon of trivia* focusing on Peace, Justice, and Sustainability. Put your knowledge to the test and learn interesting facts about these important topics while having a great time!

You are invited to bring a charcuterie board filled with locally sourced ingredients. Let's share the joy of sustainable, delicious food together. All participants who bring a charcuterie board will receive a Farley Center t-shirt, beanie, mug and tote!

We believe in spreading awareness about Peace, Justice, and Sustainability. This trivia game day is one way we can engage and educate ourselves in a fun setting on a winter day.

*Thank you to our long-time volunteer Katrina Krueger for organizing the Game Day Trivia game!
